Total Public Sector	2 041.2	174 139.5

Coverage

- Although earnings estimates relate to the full twelve months of the financial year, employment estimates relate to the last pay period ending in June of the given year. Given these differences, the ABS does not recommend using these components together to calculate average earnings.
- Estimates in this release may differ from other available information due to differences in coverage and/or the classification of organisations. For further details, refer to paragraphs 33-38 of the Methodology.
